

Effective 2-11-11 Breast Pumps and Lactation Supplies are Reimbursable under FSA Health Care

The Internal Revenue Service (IRS) has announced that under Internal Revenue Code 213(d) effective 2-11-11 the costs of breast pumps and lactation supplies that assist in lactation are reimbursable under FSA's health care. Prior to this change, members were required to submit a Letter of Medical Necessity from their physician to receive reimbursement. Members with concerns should contact ASIFlex at 1-800-659-3035 or Statewide Benefits Office at 739-8331 or 1-800-489-8933.
